

First Annual
Sunday of Remembrance for Dr. Ella P. Mitchell
OCTOBER 19, 2014

Please join us as an inaugural congregation in lifting a special offering to remember the contributions of the ministry of Dr. Ella P. Mitchell. During her 65 years of ministry, she touched the lives of many churches and many seminary students. The creation of the **Jackson/Mitchell Chair for Women and Religion** at Union Theological Seminary honors and preserves her extraordinary legacy. Your congregation's participation will assist the **Ella P & Henry H Mitchell Fund for Theological Education** in making significant contributions to the endowment of the Chair, and providing scholarships for seminary students seeking non-traditional training, all across the country.

In celebration of what would have been Dr. Ella's 97th birthday, we have chosen Sunday, October 19 for the ***First Annual "Sunday of Remembrance"*** in her honor. Our goal is to promote an annual ***"Sunday of Remembrance"*** in October for the next three years, culminating with a 100th birthday celebration in 2017. We hope that your congregation will help lead the way, and allow us to preserve and institutionalize the singular and collective legacies of Dr. Ella P. Mitchell and Dr. Henry H. Mitchell through scholarships for current and future spiritual leaders.
